

MORE UPTIME = MORE SAVINGS

BENEFITS OF UPTIME ACTION MAINTENANCE PROGRAMS FROM KUNAU IMPLEMENT

You will experience the advantages of properly conducted, professional provided maintenance and inspection services:

- ✓ Increased productivity
- ✓ Less costly downtime
- ✓ Improved fuel economy
- ✓ Identification of problems and repair before failure
- ✓ Documented maintenance / inspection services
- ✓ Serviced by OEM trained technicians
- ✓ Use of Genuine OEM lubricants, filters and parts

You should experience higher resale values compared to equipment that does not have documented inspection services
